This is the reality that has been created for us. The War on Terror. What kind of people pretend to believe what our government tells them when they already know the crooks in charge hire enemy combatants and then feign making war, shooting but missing in deliberately scripted teleplays. Then upon further inspection, the phony planted evidence is later defended by our rancid legal system as irrefutable facts, which prolong the wars they ignite into unending cauldrons of misery. This is how the big boys make their money.

Thus we spend trillions to fund both sides and go easy on the bandits we hired to cloak Israel's crimes in a haze of rubble smoldering in destroyed Syrian cities. It's a kind false flag drama to convince our idiot citizenry that they are being protected. Then we allow the designated outlaws to get away for further use in new acts of social sabotage in the future, both foreign and domestic, while we pile up heavy artillery around the periphery of puzzled Russia.

You might remember the photo of a dapper Tim Osman at Offutt Air Force base in Nebraska, who was later to gain lasting infamy as Osama bin Laden, who probably wasn't buried at sea in 2011 because he died of kidney disease ten years earlier.

**Personally I feel these masquerades by people deceiving the groups they are supposed to be protecting — plus the epidemic of staged public shootings that always leave more questions than bodies — are indications of a society in the process of committing suicide, only being “suicided” in the way all those**

**Satanic Symbol of the Upper Grade Freemasons, Bisexual, Called Bophemat; The 'Skulls and Bones Initiation' is Sodomizing new Members in a Coffin! Satanic! We can expect our lives to get much worse.**

**bank executives, environmentalists, commodity traders, holistic doctors and microbiologists have all been suspiciously “suicided” in very recent memory.**

It's not just specialists who might be privy to trade secrets that are the target of all these mysterious murders. It's also the general public population put more at risk by the glyphosate scandal and the suicidal push to get the public to consume GMO food, thereby expanding public medical expenses while it kills off the population. Win/win for the tyrants.

Glyphosate is the new queen in the court of tasty poisons, surrounded by sugar, wheat, canola, soy, MSG, and other misrepresented “nutrients” that are killing us one molecule at a time.

Doctors who reveal secrets of how the populations are being deliberately poisoned don't last long. You surely remember the first of the conscientious cancer doctors who had locked onto the notion that all vaccines contain cancer causing agents or worse. It was Jeff Bradstreet, ruled a suicide by corrupt investigators who insisted he shot himself in the chest and then jumped into a river.

The total of doctors dead because they were earnestly trying to find a real cure for cancer and/or what is in the government's vaccines is now up in the 20s, with the government's message to the public loud and clear.

There will be no investigations — if you mess with the monster known as Big Pharma, you're going to die and nobody is going to fight for you since these corporate titans totally control this decaying, putrescent apparatus of so-called justice in the United States.

This demonstrates the power of the pharmaceutical giants, who control all the politicians and doctors through their largesse and will tolerate no cures for cancer to jeopardize their very popular moneymaking recipe they use now to rake in the cash and eliminate the customers at the same time.

Cancer treatment is called by some the greatest mass murder scheme of all time. Newspapers never talk about it. But then newspapers never talk about anything of vital importance. They only focus on stories that will verify the myths they have imposed upon the population. Consequently, they consider all opposition to their slanted suggestions to be treason worthy of immediate social ostracism, if not death, even though they never legitimately examine the facts.

Certainly a parallel exists between CEOs maximizing profits and doctors prescribing this pill over that one because of the perks that tempt them. It all winds up at a point that can be safely called 'rob the man next to you' as all the good will and compassion in the world is sucked into a black vortex where only profit matters, a process that always ignites evil Jewish smiles.

Under smoky skies and beside massive fish die-offs, the groans of the Earth simply do not compute in this new era of technopop singularity, in which aggression is cultivated and ritualized to cover up the fear everyone feels knowing all their systems of belief are unreliable and, in most cases, worthy of contempt.

This cutthroat viciousness is at the heart of all these laws of Jewish bankers who rule the world. All traces of human empathy have been bred out of these beasts.

While counting their money, one Jew says to another, "Hey, what the heck, after all they're only animals." And America, to its everlasting discredit, has learned from the Jews to say the same thing to the whole world.

**The rule of law is a crime the rich impose upon the poor. The offerings of all news media are designed to misrepresent the crimes, conceal the perpetrators, and secretly share in the profits available by misleading the public. Lawyers work this way, as well.**

The average ordinary guy walks down the street, hears a snippet of something on TV, glances at an article in the newspaper, and listens to some well-coiffed demagogue in a thousand dollar suit belabor his point of view to anyone who will listen. So then this average guy goes around pronouncing himself an authority on everything who knows exactly what must be done to extricate ourselves from the danger we are in.

Few people remember it now, but back around 2003 Donald Rumsfeld announced a Pentagon program to publish deliberately false news stories in order to confuse our enemies. Since this was right after the catastrophe in New York, he already had plenty of experience lying about what had happened.

How much of who you are is dependent on what you have read on the Internet during this unprecedented expansion of human consciousness? And how much of that info was deliberately crafted in order to steer you in the wrong direction, toward fabulous ideas that can't be proven instead of hard data that can be used as proof of the crime?

The most important thing everyone forgets when they are deciding about issues in the political or sociological spheres is **who they have received their information from**, and why have these sources wanted to influence us.

This stipulation applies to the sum total of information everyone has received throughout their lives, and continues to receive, right up to the present moment.

Who gives you your information? And what has it done to you? What has it done to all of us?

Who was it gave us Common Core, to dumb down our children? Who approves vaccines that turn our children into defective robots unable to complete simple tasks? And who, pray tell, is flooding the country with Islamic rapists?

If we can't figure out who these people are, and control them, we, then we have no control over our lives. To most of us, this is unacceptable.

Call them, if you like, the suicide assistance team, ready to provide you with a fatal condition at a moment's notice. The message is clear. Everything is available to you if you just play along. Trust the people who tell you what they call the truth who have never kept their word about anything, and see what kind of disease you wind up with.

Has not the the entire political spectrum been infected, mouths slammed shut in stark terror of talking about Jews and and being excluded from polite society if they do?

By threatening you with the loss of your job, who prevents you from saying what you really feel about the way the country is being run? And why do homosexuals and disease-bearing African immigrants rate more concern from the president and the government than stalwart citizens like LaVoy Finicum, who raised beautiful children and talked like a real American, but was murdered for his respect for the Constitution by the FBI beast machine that intimidates the majority of the sheeple into a terrified silence.

To its everlasting credit, Finicum chose to follow the path recommended by his Mormon religion, and pursue truth and justice. The message the government sent in response was, blatantly written in capital letters, oppose us and you will be murdered without a second thought, especially if your sterling character inspires others to at least attempt to follow in your courageous footsteps.

**The price of patriotism these days is to be murdered by public officials who then call you a terrorist for questioning their corrupt practices. These are now the new rules in America. Speak the truth and be prepared to die.**

If you do choose to follow this risky path, it will drag you through the horrors of two World Wars that never needed to be fought and a regular schedule of financial emergencies which always seem to benefit the eight Jewish families who own the Federal Reserve.

When you pursue the heart of the 9/11 story you pass through the realization that American history has been a non stop succession of Jewish crimes, from the end of the Civil War to the present day.

The battle against the Jewish parasite has been going on since well before the Fall of Rome. The systems everyone in the world chooses to believe have been molded by the hands of Jewish censors. In far too many respects, our beliefs are their beliefs, which is why America and England fell so easily into the Jewish model of the economic exploitation of the world.

It is down this path one realizes the startling degree to which we have been programmed by Jewish thought saboteurs and turned into willing killers, psychotic perverts and capable of betraying our own families (just like Jesus advised).

Though primarily known as a Jewish [gv\* religious believe], the temptation to regard neighbors who are different from you as animals must be regarded as a worldwide phenomenon, with the stupidity of the white man – to let the Jews steal his brain – ranking near the top of the list of the most lame-brained decisions of all time. Humanity made a lot of money, and most people lost their families, just the way the Jews wanted.

In accepting the logic of making money we relinquish our hold on what is just and true and fair. Instead, each decision you make becomes a profit calculation, and [you] simply don't want to know about the people who had to die to make you rich.

Yes, down this path where we realize the world is utterly out of control, everything is

guided by the impulses of reckless empire builders who take no notice of the bodies in the gutters, vegetation shriveling into crisp brown shards, and dead sea creatures at an all-time high. They have shaped the laws to fit their own crimes, and those who are not accomplices to these crimes do not share in the filthy lucre ill-gotten gain by which the Jews have enslaved the entire world.

We have become government-fearing sleazeballs willing to pay anything to avoid getting robbed by the very people who are supposed to be making us rich. Because we do that, we become just like them, the guys who run the newspapers and create news out of nothing that makes their advertisers a bundle. They get rich peddling poison products.

So what if fracking poisons the world? Hey, it's only the water supply.

This is the reality we have been immersed in for at least the past hundred years, if not for all of time.

The media comfort the Jews have provided to us have made us soft and vulnerable to being enslaved. Throughout the Depressions they were inflicting or the wars they were creating was substantial. Life in America was pristine and straightforward in the late '50s. Decorum was mandatory in communities where everyone knew each other.

Then Kennedy was shot, Johnson changed the color ratio of immigration quotas at the behest of the Jews, and as a way out of the continuing trauma inflicted by the Vietnam war, the Jewish hippie movement couched the history of the '60s in a haze of dope smoke to further deflect the public from the practical exercises involved in keeping their country healthy.

But these courageous alternative attempts at living never exceeded more than a modest percentage of the population at large, who remained largely thoughtless consumers of carcinogenic foods, deliberately polluted by the kosher food manufacturers. Now the whole country has gone moldy and stale from the constant parasitism of Jewish bankers, who thrive while ordinary workers suffer.

**Our reality has been crafted to make us perfectly obedient slaves to heartthrob trends and fashion manipulations to the point of not knowing who or what we actually are, or what we really want?**

And we learned all these things that have led us into this perfect state of confusion about what to do and who we are while ingesting information perfectly and totally controlled by Jews, so now we have no training about how to survive on our own and no ability to live off the land should the Jews decide to blow up the world or shut off the money machines.

Nor are we able to make important decisions about crucial events in our lives because of the brainwashing we have received from those opinion molders who have indoctrinated our parents and teachers.

**Reading about who we are in public media indicates we are barely conscious about the operations of the institutions that control us from cradle to grave, and as a result of this, we have a government that goes off invading the world for reasons it invents out of sheer paranoid fantasy, which now has become**

**so out-of-control that it invents enemies and creates terror incidents merely to improve its so-called image of the great Lord Protector it pretends to be.**

Worse than that, our so-called government considers us its enemy, when it probably mortgaged our future to the European bankers in 1933 that has now expanded to a number so large that it dwarfs the gross national products of the whole world.

**The newspapers don't question any of this, because they are all run by same people who commit the crimes. The people, corporations and ethnic groups who are committing the crimes are also the ones reporting them, which makes what they say — from the lowliest memo to the most controversial law — totally unreliable and provably untrue.**

This is clearly what happened at the Tampa gay disco shooting, where no reliable witnesses ever saw any bodies, just like the deal at Sandy Hook.

This is the reality that has been created for us. The War on Terror. What kind of people pretend to believe what our government tells them when they already know the crooks in charge hire enemy combatants and then feign making war, shooting but missing in deliberately scripted teleplays. Then upon further inspection, the phony planted evidence is later defended by our rancid legal system as irrefutable facts, which prolong the wars they ignite into unending cauldrons of misery. This is how the big boys make their money.

There aren't many independent newspapers anymore, nor any small mom & pop radio stations that can provide people with perspective different from the corporate broadcasters who preach propaganda but don't ever tell us the key news of our lives. If they don't run what the advertisers tell them to publish, then they go out of business. Which is why we only get what the soulless corporations want us to know.

And that is very bad for our health and our future. Believe this crap and you are slaves forever.

As long as the Jews are in a charge, what the Jewish Talmud says applies: We're all hanging upside down in hell, just like Jesus, dunked in excrement for eternity. Recognition of this obvious fact reveals that the best path toward the liberation of the entire human race is the total and irrevocable neutralization of the one group trying to prevent this possibility.

**If we are to survive it must begin immediately.**

**Long-range Planning: Jewish Execution Plan for American Christians Set into Law by Bush for Idolatry against the Jewish Talmud! Who'll Get the Job? Muyslims? Wake up America!**

How the Jews Finagled to Get the Execution Plan for Christians Through Congress:

Revisionists Who Are Fighting for Truth and Free Speech. All Have Been Severely Punished for “Thought” Crimes.

Severe Elder Abuse by the AGS and the Communist “Democratic” New Governments of people who speak their historical and political opinion: Threats, attacks by hired thugs, verbal abuse, attacks on homes, ruining of career and livelihood, endless court cases, steep fines and imprisonment. That’s COMMUNISM! There are many, many more who are constantly abused.
